## Available via our financial planning partners at Vision Wealth Strategies:

### Life Insurance

In the event of your passing, this cover takes care of mortgage repayments, debts, and funeral costs, ensuring your family's financial stability and protecting them from further hardship.

### TPD Insurance

A serious injury or illness can leave you permanently unable to work. This cover helps protect your income and assists with medical, rehabilitation, and living expenses, so you can focus on recovery without financial worry.

### Income Protection

If you're unable to work, your family's wellbeing and bills shouldn't suffer. This coverage replaces part of your income, ensuring financial stability while you recover and get back to your normal life.

### Trauma Insurance

A serious illness, like cancer or a stroke, can disrupt your life in an instant. This cover provides financial support to help manage medical expenses and daily costs, giving you the space to focus on recovery.
